Where Dreams Come True . . .

At the fabulous El Oceano there is no such thing as a typical wedding!!!

Each wedding at El Oceano is both unique & special, therefore one-to-one consultation is essential in order to make your wedding day extra special.

Blessings

Weddings on the Waterfront Terrace or Polynesian Pool are not official marriage ceremonies and so the couple must be legally married prior to this point. However, we can organise a blessing whereby the Waterfront Terrace or Polynesian Pergola can be converted to an open-air, church-style setting on the water's edge. A better location is hard to imagine!

An ordained Minister will conduct the service according to your requirements so as to allow for a personalised touch! The blessing is based on an official marriage ceremony including the taking of the vows & the exchanging of the rings.

Minister approx.	€300
Waterfront Terrace hire	€2000
Polynesian Pool Bar hire	€1500

Wedding Menu

Let our world-class chefs prepare you a fabulous 3, 4 or 5-course menu by the water's edge, where the views will take your breath away...

Please note that with banqueting each guest must be served the same meal in order to deliver exceptional quality & service.

All wedding guests will receive a discount on the standard room rates.

Once you have decided on El Oceano as your dream wedding venue, a non-refundable deposit of €1000 is required to secure the date.

*"Exquisite cuisine

complemented by top class
live entertainment, a more
impressive place to dine
