An ElisiumScape curated private residence

The Residence

Nestled along the sun-kissed shores of the Costa del Sol, this exclusive villa offers an unparalleled experience tailored to the discerning international elite. With a prime location boasting the longest beachfront in the Malaga and Marbella region, guests are treated to uninterrupted vistas of the azure Mediterranean.

A harmonious blend of luxury and privacy, the villa is enveloped by meticulously landscaped gardens and the allure of pristine beachfront living. Lush foliage shields the estate from view, and the expansive stretch of untouched sand before it offers a retreat into unspoiled tranquillity.

Each of the nine bedrooms boasts panoramic views of the sea, with private terraces and sumptuous sun beds. Indoors, guests indulge in heated swimming pools, a rejuvenating spa, two saunas, Turkish baths, a serene massage room, a state-of-the-art gymnasium and a captivating home cinema.

The Setting

Villa Oceano stands at Mijas Costa on the Costa del Sol, where two kilometres of undeveloped beachfront meet the estate's walled gardens. Marbella and Puerto Banús lie along the coast to the west, while Málaga airport is some thirty kilometres to the east. ElisiumScape can privately coordinate the details around your stay, from arrival and mobility arrangements to tailored concierge support.

Enquire Privately
